## Regulations for the participants

1. A great adventure ahead of you! You have to face your own knowledge, use your intuition, face your own weaknesses and to do the challenging sports tasks. Read the regulations carefully and take it with you, so that you can look at it many times.
2. The Game starts AT 10 am. To do all the task you have 120 minutes. You will get a group card. You can't lose it! The group card is the basis for counting points. The finish line will be betrayed on the last station. If you didn't find it or the Game was over, we ask you for a call on the number ..... (here you will get the rights tips).
3. If something, that prevents you from playing, happened – you can make a call to the organizers'. The number is given in point 2. In that case, the points, completed in the last task. will be cancelled.
4. Remember that you are a team! You can move only on foot and together. None of the players can leave or disconnect from his team.
5. You need to do the task in that place where it was handed to you.
6. Be careful and follow all safety rules.
7. Behave culturally and kindly towards your friends and people you met.

**HAVE FUN!!!**
